10

Green is our favorite color—we're committed to reducing food waste, eliminating straws, and using reusable resources whenever possible.

9

We have special catering menus and competitive pricing for student based clubs and organizations.

8

Most of our produce, eggs, dairy products, and baked goods come from vendors within 150-miles of campus. Now that's fresh!

7

Our dining committee is led by you and your peers and is the best way to influence our menus, promotions, and dining events.

6

Nearly 50% of our offerings in the dining hall are plant-based and gluten-free, and you can always find healthy menu choices (Live Well) at every meal.

5

We're here to serve you. If you have menu suggestions, miss a recipe from home, or have a food aversion, just let our team know.

4

You can choose from a variety of meal plans that are designed for residential and commuter students. All meal plans come with Cougar Points that can be used dollar for dollar at Chick-fil-A, The Chopping Block, Starbucks, InterMetzo, and Passan Hall. This means you never have to worry about having cash on hand when you want to eat.

3

Craving a cup of coffee, chai latte, or Frappuccino? Then look no further than the Banks Student Life Center, Passan Hall, and Insalacao Hall where we proudly serve Starbucks as well as freshly prepared baked goods, and a large variety of Up for Grabs sandwiches and wraps.

2

Miss a meal because of class or work? No problem, Chick-fil-A and The Chopping Block have you covered! This casual dining area has plenty of space for dining, studying, and socializing.
